Breakfast in your room

If you would prefer we offer breakfast in your room.

Please let us know before hand and we will leave your breakfast outside your room in an insulated container at a convenient time.

It will be from the range of choices on the main breakfast menu, but we will leave you to make your tea and/or coffee with the facilities in your room.

Breakfast on the beach (available from Easter to the end of October)

For those of you who would like to hear the sound of the waves with your early morning coffee or tea you can have your breakfast at the Louisa Bay café in Louisa Bay, 5 minutes walk from South Lodge.

They normally start serving at 9:15am and we have an arrangement with them for our guests to take a voucher towards the cost of their breakfast so you can breakfast on the bay instead of at South Lodge.

Let us know the day before and we will give you a voucher to take to the Louisa Bay Cafe where you can enjoy a coffee, tea, breakfast or whatever you wish from their menu.

"A Surprise Family get Together.."

A real warm welcome at the South Lodge Guest House, Broadstairs Kent. We arrived here for a big family party at my cousins house. We had a lovely big room with a really comfortable bed. A good tea/coffee tray with biscuits in our room. Breakfast was truly unique a full continental breakfast. With a good choice of cheeses, hams and salami. Home made bread. Plenty of choice with cereals including porridge. Breakfast was started with a gorgeous fruit smoothie.
